Title for your awesome presentation in Typst
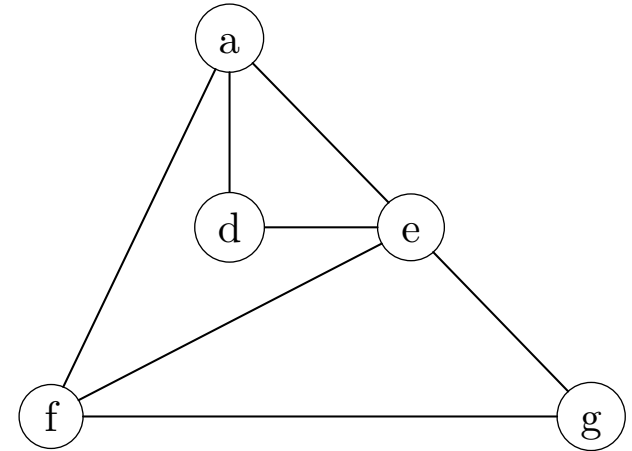

Write a small and descriptive description for your presentation. You can have more than a sentence and it still looks awesome.

By Your Name

Show your heading text for new sections in big and coloured format.

Grids to split your content

- This slide type is ideal for comparing content.
- For example, a column can contain an image or chart.
- Thanks to Touying's package integration, we can, for example, reveal Fletcher diagrams piece by piece.
- Just like in this graph, node "d" has now been revealed.
